PARKSIDE
AT MONTELAGO

The Most Coveted Lots in Montelago

Positioned at the Heart of It All

For those who value convenience, walkability, and a lifestyle that feels effortless, Parkside represents the best of what Montelago has to offer.

Parkside is a select collection of lots that sit directly around Montelago's amenity block, a hectare of pools, courts, trails, green spaces, and gathering places designed for everyday living. Just a seamless connection between home and everything that makes Montelago extraordinary.

A Location That Changes How You Live

01

LOCATION

Parkside lots are positioned directly around Montelago's amenity block. This means residents enjoy direct, pedestrian access to the amenities without crossing roads or planning drives. It is a location that shapes daily life, making recreation and connection effortless.

02

FAMILY-FRIENDLY ENVIRONMENT

For families, Parkside offers something increasingly rare: a setting where children can play freely and parents can relax without constant supervision or concern. With the children making friends and parents connecting with neighbors, a sense of belonging develops.

03

LIFESTYLE

The amenities are close enough to become part of your routine rather than a special occasion. The amenity block at Montelago includes spaces for movement and for stillness. Moreover, the variety of amenities means there's something for every mood and every age.

04

THE MOST COVETED LOTS

Proximity to amenities is a timeless selling point. Parkside lots are the premium addresses within Montelago, offering the best access and the most desirable positioning. Parkside is a limited collection of lots. Once they're gone, they're gone.
